SCHOOL & COMMUNITY NEWSLETTER

SEPTEMBER 11, 2007

Dear Kaiser Families,

Wow! Back-to-School Night was a tremendous “Wow!” experience for me. We had a huge turn-out, about 80%. I am so grateful and pleasantly surprised. You obviously care very much about your children’s educational program, and I hope we can rise to the challenge and opportunity to provide the best school program for them.

On Wednesday evening I shared with you our vision of making Kaiser School a place that’s “all about the kids.” I hope you can support us in that endeavor as we ask you to use cell phones outside only, to keep adult issues restricted to adult conversations, and to refrain from interrupting the teachers especially at the beginning and the end of the day.

We are also looking forward to having you participate in the classroom community of learners. You can connect through the teacher’s newsletters, as a volunteer, helping at Thursday snack sales, or networking through room parents. Also remember if you have very little time you can “Give Us a Day.” If you haven’t already provided your email address to your child’s teacher, please do so. I am encouraging teachers to use email for newsletters to save on paper.

Wednesday evening I also talked about shaking up our academic status quo, to stretch a little more and to achieve even more than we have. And one of our district goals is to help each child grow to be “college ready.” Toward that end I will be working with the teachers to help all of you develop an Individual Learning Plan for your child. You’ll be looking closer at their test scores, academic strengths and challenges, and developing a plan for guiding your child to college.

Once again, thanks for the tremendous support on Wednesday evening. The beginning of the year went very well and we’re off to a fabulous start!

Mel Stenger, Principal
