

Musical Story Telling

with Mr. Eli Wise

For

3rd 4th and 5th graders

Kids will create an original collaborative story, build improvisation skills and learn how to develop a dramatic arc with instrumental music.

We'll make a simple video and recording to share with friends and family.

This is a great chance for upper elementary kids to integrate their Orff and instrumental music skills and to work in a multi-media environment. Kids can choose to focus on writing, playing instruments, singing / public speaking or all of the above.

4th and 5th graders should bring their orchestra / band instruments. 3rd graders just need themselves
